I READ AND WRITE THE ENGLISH LANGUAGE. I HAVE GRADUATED FROM ECTOR HIGH SCHOOL. I WOULD LIKE TO MAKE A STATEMENT ABOUT WHAT I KNOW ABOUT THE DEATHS OF THE MAN AND WOMAN THAT LIVE AT SCHELL.

I SAW THE OLD MAN AND WOMAN AT ABOUT 2:00PM IN THEIR YARD. I TALKED TO THE MAN AND WOMAN FOR A WHILE. I HAD BEEN AT MY HOUSE WITH MY BROTHER AND WE WERE DRINKING. MY BROTHER RUDY URIAS AND I GOT INTO A FIGHT AND HE BEAT ME UP. THAT IS WHY I HAVE A BLACK EYE AND A CUT OVER MY EYE AND ON MY FOREHEAD. IF YOU CALL MY BROTHER HE WILL TELL YOU THAT WE GOT INTO A FIGHT.

AFTER FIGHTING WITH MY BROTHER I ASKED LARRY GALINDO IF I COULD STAY AT HIS RESIDENCE FOR THE NIGHT. LARRY SAID THAT I COULD STAY IN THE STORAGE BUILDING AT HIS HOUSE. THE STORAGE HAS A COT AND SOME CLOTHES. I STAYED IN THE STORAGE AND IT WAS ABOUT FOUR IN THE MORNING. I DID NOT HEAR ANYTHING DURING THE NIGHT. IF THERE HAD BEEN A SHOT I BELIEVE THAT I WOULD HAVE HEARD IT.

I KNOW ERNIE AUGIRRE, HE TAKES CARE OF THE PEOPLE'S YARD BECAUSE THEY ARE OLD. I BELIEVE THAT ERNIE IS RELATED TO THE PEOPLE. ERNIE LIVES IN THE AREA OF ROXANNA AND RUTH. WHOEVER RIPPED THESE PEOPLE OFF DID NOT GET ANYTHING BECAUSE THEY DID NOT HAVE ANY MONEY. I DO NOT BELIEVE THAT ERNIE HAD ANYTHING TO DO WITH THE KILLING.

I HOPE THAT I AM NOT A SUSPECT IN THE KILLING. I KNEW THAT YOU WERE GOING TO TALK TO ME BECAUSE I HAD BLOOD ON MY CLOTHING. I GOT THE BLOOD DURING THE FIGHT WITH MY BROTHER. I DID NOT COMMIT THIS OFFENSE. I DO NOT KNOW WHO WOULD HURT THESE PEOPLE, I JUST KNOW THAT I DID NOT DO IT I SWEAR TO GOD.

I have read the one page(s) of this statement, and the facts contained herein are true and correct. This statement was started at 2:00P M and was finished at 2:31 P M, on this date, by Detective S.L. CALLENDAR.

microscopic characteristics as the known hair of Merced Aguirre. Hair recovered from item 47 (Armchair cover) was found to contain similar microscopic characteristics as the known hair of Manuel Aguirre. Hair recovered from item 121 (flannel shirt) was found to be of animal origin (Cat).

Hair recovered from items 24 (Utility room), 53 (shirt), 58 (towel), 91 (hair from gray pants #89), 94 (shorts), 99 (blue jeans) and 101 (space heater) were found to contain DIFFERENT microscopic characteristics as the known hairs of Manuel Aguirre, Merced Aguirre, Michael D. Gonzales and Jesse Perkins.

It is noted that hair does not possess a sufficient number of unique individual microscopic characteristics to be positively associated with a particular person to the exclusion of all others.

Items which were found to contain human blood were submitted to the DNA Lab for PCR testing and a report will be issued as soon as results become available.
